Guided Programs and Tours

Trailblazers & Guardians: Stories That Shaped Chinese Canadian History

Explore the legacies of Chinese Canadian pioneers, veterans, and advocates who challenged exclusion. Students will examine primary sources on the Chinese Head Tax and Exclusion Act to understand discriminatory policies and immigration history.

Asian Comics: Evolution of an Art Form

Journey across Asia through comics and discover their influence on film, animation, fashion, art, music, and video games, alongside the history and folklore that shaped this beloved art form.

A Day with the Yips

Travel back to the 1930s and spend a day with the Yip family, a prominent Chinese Canadian family and original owners of the Wing Sang Building. Step into recreated living and school rooms to discover how the Yips lived, through immersive, hands-on activities.

Private Guided School Tour

Discover the key stories that shape Chinese Canadian history through a guided highlights tour of the museum's current exhibitions. From early migration and community, building to contemporary culture and identity, this tour offers a rich overview of the experiences that define Chinese Canadian lives. Tours can be adapted to your class's learning outcomes.

Availability: Wednesday to Friday | 10 A.M. and 12:30 P.M.
